The Evolving Role of Faculty in HEIs: Beyond Classroom

20th - 26th June, 2025

Organized by
Internal Quality Assurance Cell (IQAC)
KIIT Deemed to be University, Bhubaneswar-751024 (Odisha)
in Collaboration with
AIU Academic & Administrative Development Centre (AIU-AADC)

"Be grateful Not ungrateful"

"Giving quality education to the deprived is like giving sight to the blind"

"Think - What I was, What I am, What I will be!"

"Poverty creates illiteracy, Literacy removes poverty"

"Given opportunity, the weak too can excel"

Samanta's School of Thought

Dr. Achyuta Samanta

"I will serve the society selflessly. The society has made me what I am. I will pay back the debt, Without being complacent"

"Poverty creates illiteracy, Literacy removes poverty"

"Education is the third eye of a child"

"Continuation of beauty is more important than creation of beauty"

KIIT: A Global Hub of Academic Excellence and Social Impact

KIIT Deemed to be University stands as a globally recognized, multidisciplinary institution, celebrated for its unwavering commitment to academic excellence. Its robust emphasis on research and collaborative initiatives has fostered partnerships with over 200 international institutions and secured memberships in numerous global educational organizations.

Beyond academic prowess, KIIT distinctly integrates professional education with a profound dedication to social welfare. A testament to this commitment is its affiliate, Kalinga Institute of Social Sciences (KISS), which provides comprehensive, free education, accommodation, healthcare, and essential provisions to over 30,000 underprivileged tribal children, from kindergarten through postgraduate studies.

Since its inception in 1997, KIIT has experienced remarkable growth, evolving into a leading institution for professional studies in India. This "Soil to Silver" journey over 25 years underscores its commitment to quality education, stakeholder well-being, innovation, and growth. As a Nodal Centre for HRDC (UGC), KIIT annually conducts Faculty Development Programs (FDPs) and workshops through its AADC (AIU). The university's exceptional achievements are largely attributed to its founder, Prof. (Dr.) Achyuta Samanta, whose principles, discipline, and selfless service have guided both KIIT and KISS to their current prominence.

KIIT - Academic Empowerment Programme (K-AEP)

The KIIT Academic Empowerment Program (K-AEP) on "The Evolving Role of Faculty in HEIs: Beyond Classroom,"focuses on the rapidly transforming landscape of Higher Education Institutions (HEIs) and the imperative for faculty to adapt their roles beyond traditional classroom instruction. The program aims to equip faculty members with the knowledge, skills, and perspectives necessary to thrive in a dynamic academic environment. The K-AEP will explore critical areas such as fostering interdisciplinary research collaborations, embracing innovative pedagogical approaches for blended and online learning, leveraging technology for enhanced student engagement, promoting entrepreneurship and industry linkages, contributing to institutional policy and governance, and fostering a culture of mentorship and lifelong learning. Through interactive sessions, workshops, and expert discussions, participants will gain practical strategies to broaden their impact, enhance their professional growth, and contribute more comprehensively to the holistic development of students and institutions.

Broad sub-themes which are covered (University & School Level) are as follows:

- Student Mentorship and Holistic Development
- Pedagogical Innovation and Future-Ready Teaching
- Research, Innovation, and Scholarly Impact
- HEIs role in achieving the SDGs through research, teaching, and community engagement.
- Professional Development and Institutional Leadership

AIU-AADC at a Glance

The Association of Indian Universities (AIU), a leading inter-university body established in 1925, serves as a crucial academic "think tank" and policy advisory organization for the Indian government. With a vast network of 958 Indian and 17 international member institutions, AIU undertakes research projects on higher education policy and capacity building.

KIIT Deemed to be University has been designated as a Nodal Centre under the Human Resource Development Centre (HRDC), UGC. This appointment empowers KIIT to conduct year-round Faculty Development Programs (FDPs) and workshops under the AIU-AADC (Academic and Administrative Development Centre). This collaboration directly supports the advancement of Interdisciplinary Perspectives on Teaching and Research: Sustainability Transformation in HEIs by providing a platform for continuous faculty empowerment and the exchange of best practices in higher education.
